You are a Journalist

...and you have to tell people what's going on!
Interview the mayors and climate scientists and collect some statements on the current economic situation and the status of climate change. Your work will raise the pressure on the mayors and will form the basis for negotiations.

- **Which city has the strongest economy?**
- **Which strategies are chosen by the mayors?**
- **Who's cooperating and why?**

Create your own newspaper and keep informing the (game) world.

Practical hint

Climate scientists will provide the facts about climate change. From the mayors you'll get some good stories about the current challenges in their cities!

(technical) Material

- Microfone
- Something to record (e.g. Smartphone)
- Camera
- FlipChart-Paper (for big newspapers)
